Summary

As a recent student of Bsc. Csit from St. Lawrence College,I am
currently honing my skills as an Intern at Ayata Incorporation, where
I develop scalable web applications. My core competencies lie in
Python and Django coupled with a strong grasp of REST APIs and
version control using Git and GitHub.

Within the team at Ayata Incorporation, I've collaborated to create
maintainable solutions and innovative applications. Our efforts are
aligned with the organization's culture of efficiency and innovation. I
bring a fresh perspective and a collaborative spirit to the team, eager
to contribute to our collective success and growth in the dynamic
field of web development.
